Dear Mr. Weisberg,

Enclosed is a check for \$10 - for  
copies of White Wash I, and II.

I deeply sympathize with your  
efforts in regards to the Kennedy  
assassination. You are doing a most  
admirable, and honorable service to  
this country. I only hope that you  
will have the strength to withstand  
the ignorant, brutal, and vicious  
attacks hurled at you, as illustrated  
on the Louis Lomax show several  
weeks ago.

It is difficult to be optimistic  
these days. If there were more men  
of your sensitivity, life would  
certainly be more joyful. I'm  
afraid the future is very black  
from my way of seeing things.

God bless you and your family

Sincerely

Margaret Brody

Dear Miss Brody,

Kind letters and thoughts and wishes like yours mean much.

They do help. I thank you for them and for taking the time to communicate them.

Possibly people like Lomax and the only too many others like him in the long run do help.

Sincerely,

Harold Weisberg
